THADEN SCHOOL

PROFILE FOR COLLEGES 2022-23

MISSION

Thaden School's mission is to provide a balanced and challenging education that ignites in our students a passion for discovery and learning, prepares them to succeed in college, and inspires them to lead lives of integrity, purpose, and responsible global citizenship.

HISTORY

With the generous support of the Walton Family Foundation, Thaden School, an independent co-educational day school serving Northwest Arkansas, opened in the fall of 2017 with 50 students and will grow to serve approximately 550 students in Grades 6 through 12. The school is named in honor of Louise McPhetridge Thaden (1905-1979). Born and raised in Bentonville, she was a proud Arkansan and one of the greatest aviators of her time. Thaden School's 30-acre downtown campus has a rich history, including serving as the site of Bentonville High School when Louise McPhetridge was a student there in the 1920s. Her pioneering and innovative spirit inspires our efforts to create a school that gives students roots and wings as they build strong foundations and soar to new heights in pursuit of their dreams.

ACCREDITATION AND MEMBERSHIPS

Thaden School is a Provisional Member of the Independent Schools Association of the Central States (ISACS). We expect to receive full ISACS accreditation by 2023. We are members of the National Association of Independent Schools (NAIS), Mastery Transcript Consortium (MTC), Association of College Counselors in Independent Schools (ACCIS), National Association for College Admission Counseling (NACAC), and the Southern Association for College Admission Counseling (SACAC).

STUDENT ACCOLADES

Each year our students earn international, national, and regional distinction.

- Three graduates earned **full four-year scholarships** through the **QuestBridge** National College Match program. Another earned the prestigious **Jefferson Scholarship**, covering the full cost of attendance plus expenses at the University of Virginia.
- Five students participated in the **National Security Language Initiative for Youth** summer programs. Another earned a full scholarship for **The Paideia Institute's Living Latin in Rome** High School program.
- Two choir students **performed at Carnegie Hall** as part of the **Honors Performance Series**.
- Three students performed in the **Arkansas State Band and Orchestra Association's junior and senior high orchestras**.
- Five students formed the **world's first competitive high school gravel cycling team**.
- One student was recruited as a **Division I NCAA Track and Field athlete** and earned a scholarship to compete at the University of Montana.
- Student-athletes on the **volleyball, basketball, cross country, and track and field** teams earned state-level recognition, including two **state champions** for track and field.
- Two students were among the **top 20 finalists** in a field of 6,000 submissions for the **2019 NPR Student Podcast Challenge**.

NOTABLE FEATURES OF OUR CURRICULUM

SIGNATURE PROGRAMS, INTENSIVES, AND COMMUNITY-BASED LEARNING

Thaden School's commitment to interdisciplinary understanding finds expression in our three signature programs – Meals, Reels, and Wheels – where students combine multiple fields of study and engage with community partners in ways that foster a strong sense of civic responsibility. Immersive two-week Intensive courses, independent studies, and Community-Based Learning (CBL) courses provide further opportunities for students to form and investigate their own questions from many perspectives.

ADVANCED COURSES

Thaden School has not adopted the College Board's Advanced Placement curriculum because our required course of study, consistent with our mission, is designed to prepare students for success at even the most challenging colleges and universities. Most of our core departments and programs, including English, Mathematics, Computer Science, History, Social Sciences, World Languages, and Visual and Performing Arts, offer advanced courses that are especially challenging and comparable to college-level work. **Of the more than 90 courses offered at Thaden School, approximately 21% are accelerated and/or equivalent to college-level;** these advanced course offerings are denoted on the transcript with an asterisk (*).

THE SENIOR THESIS

The senior thesis allows students to conduct in-depth exploration of a topic of personal interest. It requires close collaboration between the student and a faculty advisor, and sometimes a community partner as well. In keeping with Thaden School's philosophy that education takes place both within and outside the classroom, seniors may design, with faculty approval, a project of comparable scope to a one-credit course. The thesis culminates in a formal presentation or performance and is graded on a pass/no credit basis.

CALENDAR AND GRADUATION REQUIREMENTS

Thaden School's calendar is divided into trimesters. To graduate from Thaden, a student must complete a minimum of 26 credits; one credit is equivalent to a year-long course. Students typically take seven courses during any one trimester. Our graduation requirements are designed to ensure that all students build a strong and balanced foundation across all major disciplines while giving them the freedom to explore and develop specific interests as they advance in their course of study.

SUMMARY OF GRADUATION REQUIREMENTS

English (4)	Visual and Performing Arts (2)
Math and Computer Science (4)	Signature Programs (2)
Science (3)	Wellness and Physical Education (2)
History and Social Science (3)	Additional Courses (3)
World Languages (3)	

STANDARDS-BASED GRADING

Thaden School employs a standards-based grading system whose purpose is two-fold: 1) to accurately and effectively communicate student mastery of core academic competencies; and 2) to focus students on learning and growth rather than the accumulation of points. In each class, students receive ratings on a 1-4 scale of their academic skills and habits. Those ratings are then translated into letter grades.

The highest possible letter grade is an A; the minimum passing grade is a D; a grade of No Credit (NC) equals failure. Some coursework, including Physical Education, is taken on a pass (P) or No Credit (NC) basis.

Thaden School does not compute class rank or report GPA on the transcript.
